REFRIGERATED GRAVITY COIL DELI CASE

Ideal for convenience stores, front-of-house service areas, grocery stores & cafés

NEMA 5- 15P

Intertek

NATURAL REFRIGERANT R290 ECO-FRIENDLY

FEATURES

- Stainless steel interior & exterior
- Digital controller & LED display
- LED on top & under each shelf
- Gravity coil refrigeration
- Adjustable glass shelves
- Rear sliding glass doors

GRAVITY COIL systems boast a refrigeration coil at the top of the cabinet that allows cool air to drop down over food, reducing airflow within the case.

These types of display cases are best for raw meat, cheese, seafood, salads, & other deli products where avoiding the drying effect of constant air circulation is important.
