RADIANT CHARBROILERS

GENERAL

Structure

Durable stainless steel structure. Corrosion-resistant and easy to clean. Simple and reasonable structure, easy to manipulate and maintain.

Extended top side walls to hold grates in place.

Highly efficient stainless steel burner, for maximum heat transfer.

Thick stainless steel radiant plates for quick and even heating.

Standing pilots.

Cast iron grill to maintain the thermal inertia.

Sectioned grates for east removal and cleaning.

Independent manual controls to save the energy.

Adjustable multi-level top grates.

Adjustable stainless steel legs included.

Stainless steel body for easy cleaning.

One year limited warranty parts and labour.
Available in natural gas + propane.
