

LAINOX LIMITED WARRANTY STATEMENT

Food Service Solutions Inc. (FSS) warrants that the equipment supplied by FSS to the original purchaser, is free from defects in materials and workmanship. Should any part thereof become defective because of a manufacturing defect within the period and limits defined below, then, at the discretion of FSS, such parts will be repaired or replaced by FSS or its Authorized Service Agency.

This warranty is subject to the following conditions: Repairs under this warranty are to be performed by a FSS Authorized Service Agency. FSS cannot be responsible for charges incurred or services performed by a non-FSS Authorized Service Agency. In all warranty cases the closest FSS Authorized Service Agency (or sub-agent) must be used.

The warranty covers the replacement of components that may prove defective or of poor quality and reliability, and the possible replacement of the entire product, where this is deemed necessary. In these circumstances, the customer has the right to the repair/replacement of defective parts or the product. The labour and the call for the repair and/or replacements during the warranty period are completely free for the customer.

NABOO COMBI OVENS

Time Period:

- 2-years parts and labour
- 4-years on the following electronic components (Relay Mainboard, Naboo 10" and 7" User Interface Board, Inverter Board, Expansion Board for: Boilers, and Gas System.

Conditions:

- The warranty is effective from the date of installation provided that:
 - o Technical Start-up is performed by an FSS Authorized Service Partner
 - o Completed Technical Start-Up Report is submitted to FSS within 30 days of installation:
 - If any deficiencies are identified and noted on the Technical Start-Up Report the end user is responsible for rectifying the issues.
 - Once the issues are rectified, the end user must coordinate with the original FSS Authorized Service Agent to return and assess the unit to verify that the issues have been fixed. If they have, the FSS Authorized Service Agent will sign off on the Technical Start-Up Report and submit it to FSS for Warranty Registration.
