

UN1215 - 120 lb Nugget Ice Machine

Self-Contained Undercounter Ice Machine with Storage

Features and Benefits

Reliability:

- Sealed, maintenance-free bearings for reduced preventative maintenance and long-lasting performance
- Stainless steel evaporator and auger for maximum durability
- Heavy duty, rust-free front panel and corrosion-resistant aluminum alloy side panels for maximum lifespan
- 3 Year parts and labor warranty
- Designed, engineered and assembled in the USA

Space Saving Design:

- Only 15" wide, this ice maker can be placed in the tightest locations
- Front breathing - No side clearance required for flexible placement
- Optional floor mount kit allows for installation under 34" ADA counter tops

Ease of Use:

- Unit specific QR code for quick access to service manuals, cleaning guides and warranty history
- Ergonomic slide back door allows easy access to ice in the bin
- Power cord, NEMA 5-15P plug, ice scoop and adjustable legs are included for quick and easy installation

High Production:

- Produces up to 129 lb (59 kg) per day and stores 36 lb (16 kg), maximizing ice output despite its small footprint
- Maximized production ensures that you can keep up with growing demand for The Original Chewable® Nugget Ice

Environmentally Friendly:

- Energy Star certified
- Meets US Safe Drinking Act low lead requirements
- Non-ozone depleting R290 refrigerant

Sealed, maintenance-free bearings ensure maximum reliability and contribute to a long machine life

Unit specific QR code for quick access to service manuals, cleaning guides and warranty history

Ergonomic slide back door allows easy access to ice in the bin

ADA compliant with optional floor mount kit

24 Hour Volume Production

Air Cooled		
70°F/21°C	Air	90°F/32°C
