Perfect for Retail and Convenience environments.

The New Versatile Pro with PulpOut System is the perfect solution for businesses where **hygiene, performance and speed** go hand in hand.

New integrated cover

PulpOut System

Bottle Holder

S 1Step Kit

Autonomous and ultra-compact

- New integrated design cover that provides a full view of the juicing process and prevents **contact with the outside for greater juice hygiene**.
- **35 lb** of extra feeder capacity.
- **PulpOut System**. Automatic filtering process for greater autonomy. Non-stop production up to 330 lb.
- **Bottle holder** with 3 interchangeable couplers for clean and direct filling.
- **1Step Kit**, removes the juicing unit easier and faster.
- Allows the juicing unit to be washed in one piece, in the dishwasher or under the tap.
- A resistant and very light podium with clean lines. Includes an integrated waste trolley with up to 52 L capacity.
- The smallest footprint on the market: 2.8 sq2.

Smart Juicer

- Version with **Smart Juicing technology**.
- Real-time information on the use, status and productivity of the commercial juicer.
