Food Pan Holding Capacity:

The UPC300 is great for catering meals at their finest quality and at safe temperatures the way your meals were intended—whether piping hot, nicely chilled...or even frozen!

Its compact size allows convenient deliveries in cars or vans. Stack them on top of a CD300 dolly and effortlessly wheel them to your next event to make that lasting impression with your guests. It also Interstacks with all existing 300MPC and 1318MTC carriers.
