FEATURES

- Functions with water or milk added to dried base or with ready-to-use mixed product bases to create delicious chilled specialties.
- Ideal for the production and dispense of soft ice-cream, frozen yogurt, slushes, smoothies, and sherbet.
- One or two, 1.3 gallon (5 L) bowls.
- A compact counter machine with elegant design reliably delivers perfect consistency.
- Easy to clean and user-friendly.
- Transparent bowl encourages impulse purchasing.
- Lockable lid.
- Efficient safety mechanism is activated when cover is lifted. All moving parts automatically and immediately stop.
- LED-based electronic keypad.
- When the product is ready, just press the push button; this will increase the motor speed, allowing it to quickly extract the product.
- All models are certified NSF-6 safe for milk.
