# 90° Electric Waffle Makers/ Warmers

Models: KWM09-1BR46, -1LG47  
KWM09-1RO7

Hatco®/Krampouz® KWM09 90° Electric Waffle Makers/  
Warmers, with insulated heating elements that create an  
even heat distribution across the surface of the plates for  
consistent cooking, are designed for operators to make  
or reheat pre-cooked waffles. Exclusive, removable top  
and bottom heating element packs provide exceptional  
heat distribution over the entire waffle plate surface. The  
Waffle Makers/Warmers' Easy Clean System® provides  
quick removal and easy cleaning of the waffle plates.

## Standard features

- KWM09 models are designed with 90° hinged waffle plates to make or reheat pre-cooked waffles
- The 90° Waffle Makers/Warmers saves countertop space
- For optimal results, add additional leavening agents into your batter when making waffles
- Stainless steel frame, with a cast iron griddle, is designed for quality and durability
- Cast iron waffle plates that are removable for easy cleaning
- Adjustable Temperature Control(s) with a range from 120°F–570°F (50°C–300°C) allows for precise temperature control
- Innovative Easy Clean System® allows for instant removal of the waffle plates, providing ease of maintenance and increased reliability
- Available with Liège or Brussels (rectangle or round) cast iron waffle plates
- Also comes with a power indicator, a heating indicator, a removable drip tray and a 6' (1829 mm) cord and plug
- For more uniform high-quality waffles select one of the following 180° Waffle Makers  
KWM18-1BR35, -1BR46, -1LG47  
KWM18-1BU  
KWM18-2LG47, -2BR46  
KWM18-1RO7

## Accessories

- Waffle Pick - Metal Forks with Plastic Handle
