

Commercial Warranty

This warranty applies to all shipments made from HMC Enterprises LLC – known as Howard/McCray or “McCray” after May 1, 2014

ONE YEAR PARTS & LABOR WARRANTY

McCray warrants to the original purchaser of every new McCray refrigerated unit, the cabinet and all parts thereof, to be free from defects in material workmanship, under normal and proper use and **ROUTINE** Maintenance as specified by McCray and upon proper installation and start up by a commercially qualified refrigeration company in accordance with the instruction packet supplied with each McCray unit. McCray’s obligation under this warranty is limited to a period on one (1) year from date of original installation or 15 months after shipment from McCray, whichever comes first.

Any parts covered under this warranty that are determined by McCray to have been defective within three (1) years from date of installation or (15) months after shipment from McCray, whichever occurs first, is limited to the repair or replacement, including labor charges or defective parts or assemblies as outlined in the labor & parts **Warranty Schedule**.

Warranty does not cover household use or normal wear & tear items such as gaskets, light bulbs & broken glass. Failure to register the unit until warranty program will void the warranty. Failure to clean the condenser on a weekly basis will also void the warranty. Warranty does not cover issues caused by improper installation, lack of maintenance or effects of Mother Nature such as floods, lighting storms or other damaging situations.

5 YEAR COMPRESSOR WARRANTY

In addition to the five (5) year warranty above, McCray warrants its compressors, hermetically & semi-hermetically sealed compressors to be free from defects in both material and workmanship under normal and proper use and maintenance service for a period of five (5) years from date of installation or five (5) years & three (3) months from date of shipment. Compressors found defective during the first fourteen (14) must be returned to the Authorized Refrigeration Supply Company for an exchange. If the compressor is over fourteen (14) months, McCray “Reserves the Right” to exchange or replace the compressor with a compressor of similar age. After two (2) years, compressor replacements will be prorated based on the remaining age of the compressor. See our Warranty Schedule for full details. The five year warranty only applies to the compressor and no other parts even those related to the compressor. **FAILURE to CLEAN** the condenser routinely will void this warranty.

All claims for labor or parts must be made directly with McCray. All claims **MUST** include: Model Number, Serial Number, Date of Purchase, Date of Installation, **Service Authorization Number**, Copy of replacement parts receipts, Service company invoice stating the defect (in accordance with our **Warranty schedule**), and Picture of the defective compressor. Must be submitted within sixty (60) days of service date. Please go to our Web-site for full details.
