

6.5" CPLA Compostable Forks, Knives or Spoons - 6.5"H Knives / White

Our eco-friendly CPLA cutlery is 100% compostable and better for protecting the environment. It's made of cornstarch making it a great alternative to traditional plastic cutlery. These are ergonomically designed to fit comfortably in your hand so you can enjoy your meal whether it be meat, fruit, or any tough foods. These are great for restaurants offering fast service, food trucks, and more.

Key Features

- Premium strong and sturdy quality, superior feel
- Made from 100% renewable resources
- 170°F water resistant
- 170°F oil resistant
